Tonight, we are going to examine the theme 'Made alive in Christ'. This wonderful chapter of Ephesians has Paul writing about God's great love for us and how He is rich in mercy. There are a lot of terms we need to carefully scrutinise to grasp a great understanding of these verses. Let's work together through these verses and pray that our eyes of our hearts may be enlightened in order that we may know the hope to which God has called us to.

Let's read Ephesians 2:1-10 together.

1. In verses 1 and 2, we see Paul writing a very blunt statement. Why do you think Paul needed to be so blunt?
2. In verse 3, what is our human nature and what is it we deserve? How did this occur?
3. Is there anything we could do to fix our circumstances?
4. What did God do? (Verse 4-5)
5. How did God do this? (6-7)
6. Explain verse 8.
