**57<sup>th</sup> Company Tahmoor at Tahmoor Baptist Church (TBC):** Our company has a long history at Tahmoor Baptist Church and has been meeting at TBC for several decades, with the exception of a few years under the auspice of other neighbouring churches. Many of our current leaders and officers have been parents of members who became enthused over the work of the BB and some have a childhood history with BB, coming up through the ranks themselves.

- *All our staff are registered with BB NSW and BB Australia and all Leaders undergo Working With Children checks undertaken by the church and work strictly within the TBC and BB respective safeguarding policies.*

**Where we belong :** 57<sup>th</sup> Tahmoor is an organisation for youth within the outreach work of TBC. The Company also belongs to the Joint Brigade Region, which is a group of companies from the geographic areas of Wollondilly, Liverpool and Macarthur. We meet together for competitions and other events such as combined parties, camping, and activity days. As part of the wider family, we have an active role in local occasions, such as the Annual Anzac Day March and various fundraising activities.

The main award boys aim for is the Queen's Badge, that recognises a Boy who has demonstrated the high principles that The Boys' Brigade promotes. It can be gained by consistent effort within the curriculum of the award program.

The Duke of Edinburgh Award Program is also available for boys who want to see themselves advancing their personal development.
