Wednesday Night Bible Study 4/07/2018

Reflection: Tonight, we are going to continue to unpack our approaches to evangelism. After we study the apostle Paul's approach with three examples from Thessalonica, Berea and Athens, we will also review the training video and discuss it as well. I hope and pray we all continue to gain insight into how we share the good news of Jesus Christ.

Let's read Acts 17:1-9

1)	Describe the sequence of events in Thessalonica.	
2)	In your view, who were the jealous people in these passages? Why do you think they were jealous?	
3)	Whilst the text doesn't describe it, what do you think the reactions of Paul and Silas were?	
4)	Do you have any further reflections from these verses?	
Let's now read Acts 17:10-15		
5)	Describe the sequence of events in these verses. How are they different to the previous ones?	
6)	Who were the Bereans?	

7)	What is happening in verses 4 and 12?
8)	What are the similarities of verses 5 and 13?
	Let's now read Acts 17:16-34
9)	Describe the sequence of events in these verses. How are they different to the previous ones?
10)	Describe what Paul is saying in verses 22-23. What do you think of Paul's approach?
11)	Is this something we could learn from in terms of how we deal with others?
12)	Pick out a couple of verses between 24-32 and put them into your own words.
Let's no	ow watch the training video and evaluate what Stu Millar is talking about together.
