
Wednesday Night Bible Study 12/09/2018

Last week, we explored in finer details the Parable of the lost son from Luke 15. It is a Parable that evokes all sorts of thoughts and feelings isn't it? It is also a parable that reveals the state of the human heart in terms of the need for restoration, redemption and repentance.

Tonight, we are going to further explore the power of story.....

Your story.

If I was to ask you to write out a two-part sentence of how God's love and grace has impacted your life, what would you say? Would you even be willing to share it?

Before we explore this topic, let's unpack some Scripture to reflect on this.

Let's read together Ephesians 2:1-9

What stands out in this passage for you and let's discuss this.

1 Peter 3:15 "But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect,"

Let's watch the video clip of some individuals sharing how God's grace has impacted their lives.

After some time, we can discuss how this video clip impacted you. It may not have and that's okay.

Let's take some time to pray through and reflect on what we might write.

What is your story? We would love to celebrate what God has done in your life.
